Dear IFS Hiring Manager,

I am excited to apply for the undergraduate trainee position on the R&D Automation Engineering team at IFS. As a Computer Science student with a strong interest in AI, Machine Learning, and Data Science, I am eager to contribute to the development of AI capabilities for IFS Cloud offerings.

My experience with Python, data science concepts, and machine learning models, combined with my passion for solving complex problems, aligns well with the role. I look forward to collaborating with experienced Data Scientists and Engineers and contributing to AI projects while gaining valuable industry experience.

I am enthusiastic about the opportunity to bring my skills to IFS, and I am confident in my ability to make meaningful contributions. Thank you for your time and consideration.

Sincerely,
Insaf Ahmedh
